

K BLOOM™ + FE

FOLIAR NUTRITION

GENERAL INFORMATION:

K-BLOOM + FE is a high analysis liquid potassium fertilizer which can be soil and foliar applied. K-BLOOM + FE is highly soluble and does not contain chloride. Utilize a jar test if compatibility is questionable.

APPLICATION RATES:

Foliar: On Vine, field, vegetable and tree crops, apply 1 to 4 pints of K-BLOOM + FE per acre during each application, first at pre-bloom, then post bloom, mid-season and pre-harvest. K-BLOOM + FE is intended to be used as a supplement to a soil applied fertilizer program. Use this product in at least 10 gallons of water for each gallon of K-BLOOM + FE.

Soil: On field crops, grains and vegetables, apply a side dressing of 2 to 8 quarts of K-BLOOM + FE per acre at least 3 inches from the plant.

STORAGE AND DISPOSAL:

Store in a cool, dry place. Store in original container. Keep container tightly closed. Do not reuse container. Triple rinse, then offer for recycling or for disposal in a sanitary landfill, or by other means in accordance with local, state, and federal regulations.

PRECAUTIONARY STATEMENTS:

Keep container tightly closed. Avoid contact with eyes, skin and breathing vapors or spray mist. Wear protective gloves. Do not eat, drink or smoke when using this product. Wash hands thoroughly after

handling. Use adequate ventilation when handling. Keep away from open flame. In case of fire: Dry chemical fire extinguisher to extinguish and call INFOTRAC (800) 424-9300.

First Aid:

If exposed call INFOTRAC or refer to SDS First Aid section. If on skin: Take off contaminated clothes immediately. Rinse skin with water.

WARNING:

KEEP OUT OF REACH OF CHILDREN

SHAKE WELL BEFORE USE

NOTICE:

Manufacturer warrants that K-BLOOM + FE conforms to its chemical description and will perform as stated on the label when used according to directions and under normal conditions. Neither this warranty or any other warranty of merchantability, expressed or implied, extends to the use of this product contrary to label directions. Buyer assumes all risk if K-BLOOM + FE is used in any manner or under any condition other than those specifically set forth on the label.
