

P.E.N. 4™

FOLIAR NUTRITION

5-0-0

GENERAL INFORMATION

P.E.N. 4™ is specifically formulated for foliar delivery of boron, manganese, molybdenum and zinc.

RATE RECOMMENDATIONS

Field, Row, Vegetable and Vine Crops: Apply 1-2 quarts per acre per application throughout the growing season. More frequent applications at 1 pint per acre may be needed to correct deficiencies once they occur.

Optimum rate of application will vary depending on soil properties (such as pH, organic matter content, texture), weather conditions, time of year, plant species and general health. For best results, follow soil/tissue test recommendation.

MIXING AND HANDLING INSTRUCTIONS

Fill mix tank with half of required water volume and begin agitation. Add products in this order, mixing thoroughly after each addition: adjuvants, pesticides, then fertilizers. Fill tank with remainder of water and continue agitation until solution is completely mixed. Check chemical mixture compatibility using a jar test prior to application.

ATTENTION: This product contains boron; use on any crops other than those recommended may result in serious injury to the crops. The application of fertilizing materials containing molybdenum (Mo) may result in forage crops containing levels of molybdenum (Mo) which are toxic to ruminant animals.

Information regarding the contents and levels of metals in this product is available on the Internet at <http://www.aapfco.org/metals.html>

Information about the components of this lot of fertilizer may be obtained by writing to Mutiny Crop Performance and giving the lot number which is found on the container or label.

GUARANTEED ANALYSIS

Total Nitrogen (N)	5.00%
5.00% Urea nitrogen	
Sulfur (S)	2.0%
Boron (B)	0.5%
Manganese (Mn)	2.0%
Molybdenum (Mo)	0.05%
Zinc (Zn)	2.0%

Derived from urea, boric acid, manganese sulfate, sodium molybdate and zinc sulfate.

WARNING: Causes serious eye irritation. Suspected of damaging fertility or the unborn child. May cause damage to organs through prolonged or repeated exposure.

PRECAUTIONARY STATEMENTS: Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/ clothing and eye/face protection. Do not breathe mist or vapor. Wash thoroughly after handling. **First Aid:** *If in eyes:* Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If exposed or concerned, or if eye irritation persists, get medical attention.

STORAGE AND DISPOSAL:

Do not contaminate water, food or feed by storage or disposal. Keep out of reach of children. Store locked up. Store in original container. Store in a well-ventilated area. Storage temperature: 40 F to 100 F. Dispose of contents/container in accordance with local regulations.

WARNING: Cancer and Reproductive Harm-www.P65Warnings.ca.gov
